PROFESSIONAL QUALIFICATION

- **COMSATS University Islamabad, Wah, Pakistan (2017 - 2021)**
BSCS. – Computer Science (CGPA: 3.10)
Final Year Project:
Online Gift Shop: Online Gift Shop is an online multi-vendor system, vendors are sellers of gifts/toys, flowers and cakes. This system brings these products on doorstep of the customer, user can choose any of these products and order it with online payment mode as well. This system also allows different sellers of gifts/toys, flowers and cakes to grow and expand their business and reach more customers. System has panel for all entities like panel for admin, vendors and users as well. System is developed in Node JS, Express JS and MongoDB as database, system uses MVC approach.
